

CLOSET ORGANIZERS

Getting organized gives you the comfort and peace of mind that comes from being prepared. Regardless of what areas you want to organize, C.D. Michaels offers you a variety of closet systems to help bring a sense of order to your entire home.

white, maple & cherry melamine shelving

Getting organized in your environment is made easy with Rubbermaid®. For attractive stylish looks beautiful anywhere in your home - not just behind closet doors, choose our 3/4" white, maple or cherry melamine shelving with raised door and drawer panels. Or for maximum versatility, choose from our line of wire ventilated shelving. Whether it is a reach-in or walk-in area, we have a solution for you.

freedomRail®

freedomRail® is not just for the closet—it's perfect for making a statement as an entertainment center, a library or...

With freedomRail® adjustable components, it's easy to adjust your shelving. You can reconfigure a section or the whole closet. You can add to a closet, or even move it to another room. Choose adjustable wire shelving, ideal for hanging clothes and it's virtually maintenance-free, or choose white, maple or cherry melamine shelving, for its beauty and strength. Wire and solid shelving merge easily to respond to different storage needs.

wire shelving

Rubbermaid®

Rubbermaid's unique designs let you make your space your own.

TightMesh® shelving is tightly spaced to ensure small items do not tip over or fall through.

Freeslide® shelving allows hangers to move without restriction.

FastTrack® hanging system is an adjustable storage solutions to meet all of your changing storage needs.

And Rubbermaid's wire ventilated shelving will not rust, stain, crack or yellow over time.

For great design ideas, get the ease and convenience of FreeSlide® wire shelving combined with the functionality and great looks of furniture by adding a melamine tower.

Organize your kitchen pantry with taste and efficiency with a variety of accessories including spice racks, corner shelves and wire baskets. Adjustable shelves also make it easy to customize your pantry closet, linen closet and laundry area.

adjustable shelving

It's easy to adjust your shelving as your child, and their wardrobe, grows with freedomRail®.

Easily combine melamine and wire ventilated shelving in the same area.
