

WINDOW TREATMENTS & BLINDS

wood & faux alloy blinds & shutters

Pick a painted wood or stained wood tone color to match your existing trim or wall color.

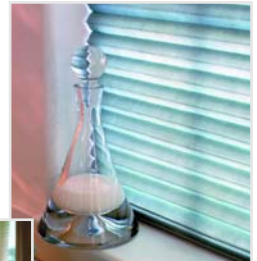

roman

Choose from an impressive array of colors and fabrics that reflect the setting, style or design you are trying to create.

Windows are your home's link to the outside world. The window treatments you choose effect a room's lighting, its color and even the temperature. They also establish your home's mood, whether casual or formal, and are an expression of your personal style. At C.D. Michaels we invite you to discover how our high quality window treatments can make your windows, anything and everything you want them to be.

Where Innovation is Always in Fashion™

Cordless blinds ensure the safety of loved ones.

cellular & pleated

From full privacy or sheer delight to complete room darkening and light filtering materials, our blinds offer function, improved insulation and beauty.

Choose from a variety of pleat options and the ability to be operated from the top down or bottom up.
